

СВЕДЕНИЯ

об официальном оппоненте по диссертации Терещенко Константина Алексеевича «Физико-химические закономерности формирования и функционирования полицентровых металлокомплексных катализитических систем на примере процессов полимеризации»

1. Захаров Владимир Александрович

2. 03.03.1942, РФ

3. Почтовый адрес: 630090, Россия, г. Новосибирск, пр. Академика Лаврентьева, 5
телефон: 8 (383) 330-82-34

адрес электронной почты: zva@catalysis.ru

4. Место основной работы, должность: г. Новосибирск, Федеральное государственное бюджетное учреждение науки «Федеральный исследовательский центр Институт катализа им. Г.К. Борескова Сибирского отделения Российской академии наук», должность – главный научный сотрудник лаборатории каталитической полимеризации

5. Ученая степень: доктор химических наук по специальности 02.00.15 – «Химическая кинетика и катализ».

6. Ученое звание: профессор по специальности 02.00.04 «Физическая химия».

7. Основные работы, опубликованные в рецензируемых научных журналах за последние 5 лет.
